14 September 2021

Dear Owners and Residents,

COMMUNICATION TO OWNERS AND RESIDENTS – 14 SEPTEMBER 2021

In our previous communication, we mentioned that the Executive Committee received a proposal to host an informal discussion between residents. The purpose of this discussion is to afford residents an opportunity to engage with the Executive Committee and each other between formal meetings, to discuss issues of mutual interest, and to make constructive suggestions and proposals relating to the Nautilus Bay reserve and community. In doing so, we also hope that this will limit discussions at our Annual General Meeting and shorten those proceedings.

By necessity, this discussion will be hosted on the Zoom platform on Thursday 23 September 2021 at 17h00. Although this is a first for us, we believe that most of our residents have experience with online meetings and will observe the established protocols thereof during our discussion.

If there are any specific matters that you would like to discuss, kindly submit them by email to Renzke at Status Mark, or to any Exco member.

The link to access the meeting is:

We hope to see as many residents as possible and look forward to your comments and proposals.

Kind regards,

THE EXECUTIVE COMMITTEE
NAUTILUS BAY COASTAL RESERVE
